

AUTHOR INDEX
OF THE PROCEEDINGS OF THE
ROYAL SOCIETY OF VICTORIA

Vol. 47 (1934/5) — 70 (1958)

Prepared by C. A. McCALLUM, B.A.
Chief Librarian (1945-60), Public Library of Victoria

A

- Aitken, Yvonne
1939 The problem of hard seeds in subterranean clover. 51: 187-210 (2 Pl., 12 Fig.).
1955 Influence of environment and variety on nitrogen and thiamin in field peas (*Pisum sativum*). 67: 257-271 (Pl., Fig.).
- Aitken, Yvonne, and Drake, F. R.
1941 Studies of the varieties of subterranean clover. 53: 342-393 (3 Pl., 13 Fig.).
- Anderson, Beryl H.
1938 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt 1. Decapoda. 50: 348-352.
- Anderson, V. G.
1947 Evaporation and storage changes in river catchment areas, with special reference to the Goulburn River, above Eildon Reservoir. 58: 48-65 (5 Fig.).
- Atkinson, Nancy, and Wood, E. J. Ferguson
1938 The bacteriological examination of drinking water in Victoria. 50: 244-250.

B

- Baker, G. See also Edwards, A. B., and Baker. 1942, 1943, and 1944.
1936 The petrology of the You Yangs granite—a study of contamination. 48: 124-158 (Pl., 6 Fig.).
1937 Tektites from the Sherbrook River district, E. of Port Campbell. 49: 165-177 (8 Fig.).
1937 Orthite in some Victorian granitic rocks. 50: 47-58 (23 Fig.).
1938 Dacites and associated rocks at Arthur's Seat, Dromana. 50: 258-278 (4 Fig.).
1940 An unusual australite form. 52: 312-314 (Fig.).
1942 The heavy minerals of some Victorian granitic rocks. 54: 196-223 (3 Fig.).
1943 Eocene deposits SE. of Princetown, Victoria. 55: 237-254 (Pl., 2 Fig.).
1944 The geology of the Port Campbell district. 56: 77-108 (2 Pl., 3 Fig.).
1950 Geology and physiography of the Moonlight Head district, Victoria. 60: 17-43 (4 Pl., 4 Fig.).
1950 Petrology of No. 3 tunnel, Kiewa hydro-electric scheme, Bogong, Victoria. 60: 173-188 (2 Pl., 2 Fig.).
1955 Curvature-size relationships of Port Campbell australites, Victoria. 67: 165-219 (49 Fig.).
1956 Sand drift at Portland, Victoria. 68: 151-197 (25 Fig.).
1958 Stripped zones at cliff edges along a high wave energy coast, Port Campbell, Victoria. 70: 175-179 (2 Pl.).
- Baker, G., Gordon, A., and Rowe, D. D.
1939 Granite and granodiorite at Powelltown, Victoria, and their relationships. 51: 31-44 (2 Fig.).
- Baldwin, J. G.
1950 A soil survey of the Shire of Whittlesea, Victoria. 62: 173-196 (9 Fig.).
- Balfe, Ilma G.
1935 An account of sclerote-forming fungi causing diseases in *Mathiola*, *Primula* and *Delphinium* in Victoria. 47: 369-386 (9 Fig.).

- Blackburn, M.
 1937 Lady Julia Percy Island: Reports of the expedition of the McCoy Society for field investigation and research; Coelenterata. 49: 364-371 (2 Fig.).
 1937 Notes on Australian hydrozoa, with descriptions of two new species. 50: 170-181 (16 Fig.).
 1938 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt 1. Hydrozoa. 50: 312-328 (10 Fig.).
- Bradley, J. E.
 1949 Tides of Hobson's Bay. 61: 113-122 (2 Fig.).
 1955 Comparisons of the actual tides of Hobson's Bay, with those predicted from harmonic constants. 67: 221-223.
 1957 Abnormally high tides in the Port of Melbourne. 69: 37-40 (4 Fig.).
- Brazenor, C. W. See Tubb, J. A., and Brazenor. 1937.
- Burns, A. N.
 1958 The genus *Dicmeniana* Distant with description of a new species (Hemiptera-Homoptera, Cicadidae, Tibicininae). 70: 145-161 (Pl., 2 Fig.).
- Butcher, A. D.
 1937 Lady Julia Percy Island: Reports of the expedition of the McCoy Society for field investigation and research; Insecta. 49: 399-400.
 1941 Outbreaks of white spot or Ichthyophthiriasis (*Ichthyophthirius multifiliis* Fouquet, 1876) at the hatcheries of the Ballarat Fish Acclimatization Society, with notes on laboratory experiments. 53: 126-144 (4 Fig.).
- C
- Carey, S. W.
 1945 Note on Cretaceous strata in the Purari Valley, Papua. 56: 123-130. (2 Figs.).
- Chapman, F.
 1934 New species of a erinoid (*Lecanocrinus*) and a cephalopod (*Ophidioceras*) from the Silurian of Yass. 47: 190-195 (Pl.).
 1937 Cherty limestone with *Planorbis*, from the Mount Elder Range, Western Australia. 50: 59-66 (Pl.).
- Chapman, F., and Crespin, I.
 1935 Foraminiferal limestones of Eocene age from NW. division, Western Australia. 48: 55-62 (2 Pl.).
- Chapman, F., Howchin, W., and Parr, W. J.
 1934 A revision of the nomenclature of the Permian foraminifera of New South Wales. 47: 175-189 (5 Fig.).
- Chapman, F., and Parr, W. J.
 1936 A classification of the foraminifera. 49: 139-151.
 1938 Australian and New Zealand species of the foraminiferal genera *Operculina* and *Operculinella*. 50: 279-299 (2 Pl., Fig.).
- Chapman, F., and Thomas, D. E.
 1936 The Cambrian hydrozoa of the Heathcote and Monegeeta districts. 48: 193-212 (4 Pl., 2 Fig.).
- Church, S. J.
 1947 A survey of vegetable matter in the wool clip of SE. Australia. 59: 53-62 (26 Fig.).
- Clark, J.
 1938 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt. 1. Formicidae (Hymenoptera). 50: 356-382 (20 Fig.).
- Clifford, H. T.
 1952 Victorian musci. Pt 1: Introduction and Andreeæacæ. 64: 4-8 (4 Fig.).
 1953 On the distribution of the species of eucalyptus in the region of the Dandenong Range, Victoria. 65: 30-55 (14 Fig.).
- Cochrane, G. W., and Samson, H. R.
 1950 The geology of the Nowa Nowa-South Buchan area, Victoria. 60: 93-122 (3 Pl., 4 Fig.).
- Collins, A. C. See Parr, W. J., and Collins. 1937.
- Condon, M. A.
 1951 The geology of the lower Werribee River, Victoria. 63: 1-24 (Pl., 6 Fig.).

- Cookson, Isabel C. See also Duigan, S. L., and Cookson. 1957.
 1937 On *Saprolegnia terrestris* sp. nov., with some preliminary observations on Victorian soil saprolegniales. 49: 235-242 (Pl., 2 Fig.).
 1937 Fossil wood from Upper Devonian rocks at Mansfield, E. Victoria. 50: 182-189 (Pl.).
 1945 Records of plant remains from the Upper Silurian and early Devonian rocks of Victoria. 56: 119-122.
 1947 Note on the pollen of *Nothofagus Gumii* (Hook.) Oerst. 58: 1-2 (Fig.).
 1954 A palynological examination of No. 1 bore, Birregurra, Victoria. 66: 119-128 (2 Fig.).
 1957 On some Australian Tertiary spores and pollen grains that extend the geological and geographical distribution of living genera. 69: 41-53 (3 Pl.).
- Cookson, Isabel C., and Dettmann, M. E.
 1958 Some trilete spores from Upper Mesozoic deposits in the E. Australian region. 70: 95-128 (6 Pl., Fig.).
- Cookson, Isabel C., and Eisenack, A.
 1958 Microplankton from Australian and New Guinea Upper Mesozoic sediments. 70: 19-79 (12 Pl., 20 Fig.).
- Cotton, B. C.
 1938 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt I. Mollusca, pt 1; the spermatophore of *Rossia australis* Berry. 50: 338-340 (2 Pl.).
 1939 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt II. Mollusca, pt 2; General. 51: 159-176 (Pl.).
- Coulson, A. See also Jutson, J. T., and Coulson. 1937 and 1940.
 1935 Geological notes on Lake Connearre, near Geelong. 48: 1-10 (Fig.).
 1938 The basalts of the Geelong district. 50: 251-257.
 1939 Notes on the physiography of the Geelong district. 51: 61-72 (3 Fig.).
 1940 The sand dunes of the Portland district and their relation to post-Pliocene uplift. 52: 315-335 (Pl., 3 Fig.).
 1941 The volcanoes of the Portland district. 53: 394-402 (4 Fig.).
 1950 The origin of Stony Creek basin, Daylesford, Victoria. 60: 157-162 (3 Fig.).
 1954 The volcanic rocks of the Daylesford district. 65: 113-124 (2 Fig.).
- Crawford, W. See also Edwards, A. B., and Crawford, 1940.
 1940 The physiography of the Gisborne highlands. 52: 262-278.
- Crespin, Irene. See also Chapman, F., and Crespin. 1935; Raggatt, H. G., and Crespin. 1955.
 1941 The genus *Cycloclypeus* in Victoria. 53: 301-314 (4 Pl., 4 Fig.).
 1943 The genus *Lepidocyclina* in Victoria. 55: 157-180 (7 Pl., Fig.).
 1945 Note on the age and palæogeography of the brown coal deposits of Gippsland, Victoria. 57: 49-56 (2 Fig.).
 1947 A fossil crab from the Lakes Entrance oil shaft, Gippsland, Victoria. 59: 20-22 (Pl.).
 1950 Some Tertiary pelecypoda from the Lakes Entrance oil shaft, Gippsland, Victoria. 60: 149-156 (4 Pl.).
- Crohn, P. W.
 1950 The geology, petrology and physiography of the Omeo district, NE. Victoria. 62: 1-70 (5 Fig.).
- Crooks, Kathleen M.
 1935 An account of the cultural and cytological characteristics of a new species of *Mycogala*. 47: 352-364 (13 Fig.).
 1935 A powdery mildew of *Boronia megastigma* Nees. 47: 365-366 (Pl., Fig.).
 1937 Studies on Australia's aquatic phycomycetes. 49: 206-232 (Pl., 11 Fig.).

D

- Dadswell, Inez W., and Wragge, W. B.
 1940 A study of the granulation of some commercially milled Victorian flours. 52: 21-34 (2 Fig.).
- Dallwitz, W. B.
 1955 Petrography of sedimentary rocks from the Torquay-Eastern View area, Victoria. 67: 143-148.
- Darby, J. See Martin, L. H., Hill, R. D., and Darby. 1947.
- Dettmann, Mary E. See Cookson, I. C., and Dettmann. 1958.

- Dewhurst, Irene E.
 1937 Lady Julia Percy Island: Reports of the expedition of the McCoy Society for field investigation and research; topography and physiography. 49: 333-335 (2 Fig.).
 1939 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt II, Geology. 51: 143-146 (Pl., Fig.).
- Downes, R. G., and Lecper, G. W.
 1940 The measurement of soil structure. 52: 1-20 (2 Fig.).
- Drake, F. R. See Aitken, Y., and Drake. 1941.
- Drummond, F. H.
 1937 Lady Julia Percy Island: Reports of the expedition of the McCoy Society for field investigation and research; Cestoda. 49: 401-404 (Pl., 2 Fig.).
- Ducker, S. C. See McLennan, E. I., and Ducker. 1952.
- Duigan, Suzanne L.
 1951 A catalogue of the Australian Tertiary flora. 63: 41-56.
- Duigan, Suzanne L., and Cookson, I. C.
 1957 The occurrence of *Asolla filiculoides* L. and associated vascular plants in a Quaternary deposit in Melbourne, Australia. 69: 5-13 (2 Pl., Fig.).
- Dunbar, D. N. F. See Wilson, A. R. W., Keam, D. W., and Dunbar. 1950.

E

- Easton, J. G. See Edwards, A. B., and Easton. 1937.
- Edinburgh, H.R.H. Prince Philip, Duke of Edinburgh
 1957 Australia's part in the international geophysical year in Antarctica: Symposium. 69: 57-58.
- Edmonds, A. G.
 1937 Lady Julia Percy Island: Reports of the expedition of the McCoy Society for field investigation and research; Vegetation. 49: 349-351 (Fig.).
 1937 Lady Julia Percy Island: Reports of the expedition of the McCoy Society for field investigation and research; Soil. 49: 352-353.
- Edwards, A. B. See also Hill, D., and Edwards. 1941.
- 1934 Tertiary dykes and volcanic necks of South Gippsland, Victoria. 47: 112-132 (Pl., 3 Fig.).
 1935 Three olivine basalt-trachyte provinces and some theories of petrogenesis. 48: 13-26 (Fig.).
 1936 On the occurrence of quartz-tourmaline nodules in the granite of Clear Creek, near Everton, Victoria. 49: 11-16 (2 Fig.).
 1936 On the occurrence of almandine garnets in some Devonian igneous rocks of Victoria. 49: 40-50 (2 Fig.).
 1937 Quartz-diorite magma in E. Victoria. 50: 97-109 (Fig.).
 1939 Petrology of the Tertiary older volcanic rocks of Victoria. 51: 73-98 (2 Fig.).
 1940 A note on the physiography of the Woori Yallock basin. 52: 336-341 (Fig.).
 1941 The NW. coast of Tasmania. 53: 233-267 (3 Pl., 6 Fig.).
 1941 The crinaitic laccolith of Circular Head, Tasmania. 53: 403-415 (2 Fig.).
 1942 The San Remo peninsula. 54: 59-74 (2 Pl., Fig.).
 1942 A dome-like structure in the Jurassic rocks of South Gippsland. 54: 224-228 (Fig.).
 1945 The geology of Phillip Island. 57: 1-16 (3 Pl., Fig.).
 1945 The glauconitic sandstone of the Tertiary of East Gippsland, Victoria. 57: 153-166 (Pl., Fig.).
 1947 Alkali hybrid rocks of Port Cygnet, Tasmania. 58: 81-115 (2 Pl., 4 Fig.).
 1950 The petrology of the Miocene sediments of the Aure trough, Papua. 60: 123-148 (2 Pl., 2 Fig.).
 1950 The petrology of the Cretaceous greywackes of the Purari valley, Papua. 60: 163-171.
 1950 The petrology of the Cainozoic basaltic rocks of Tasmania. 62: 97-120 (3 Pl., 2 Fig.).
 1953 The Wedderburn meteoritic iron. 64: 73-76 (Pl.).
 1953 Crinanite-pieritic intrusions in the Nebo district of New South Wales. 65: 9-29 (Pl., Fig.).
 1956 The rhyolite-dacite-granodiorite association of the Dandenong Ranges. 68: 111-149 (7 Fig.).
- Edwards, A. B., and Baker, G.
 1942 The Pakcnham meteorite. 54: 7-16 (2 Pl.).

- 1943 Jurassic arkose in S. Victoria. 55: 195-228.
 1944 Contact phenomena in the Morang Hills, Victoria. 56: 19-34 (5 Fig.).
 Edwards, A. B., and Crawford, W.
 1940 The Cainozoic volcanic rocks of the Gisborne district, Victoria. 52: 281-311 (4 Fig.).
 Edwards, A. B., and Easton, J. G.
 1937 The igneous rocks of NE. Benambra. 50: 69-96 (4 Fig.).
 Edwards, A. B., and Glaessner, M. F.
 1953 Mesozoic and Tertiary sediments from the Wahgi valley, New Guinea. 64: 93-112 (Pl., 2 Fig.).
 Eisenack, A. See Cookson, I. C., and Eisenack. 1958.

F

- Fawcett, Stella G. M.
 1939 Studies on the Australian Clavariaceæ; Pt I. 51: 1-20 (5 Pl., Fig.).
 1939 Studies on the Australian Clavariaceæ; Pt. II. 51: 265-280 (7 Pl., Fig.).
 1940 Studies on the Australian Clavariaceæ; Pt III. 52: 153-163 (2 Pl., Fig.).
 Fawcett, Stella G. M., and Vance, C. E.
 1938 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt I. List of vascular plants. 50: 306-311.
 Fisher, Eileen E.
 1935 Sooty mould of the tree-fern *Dicksonia*. 47: 387-388.
 1942 Notes on two Australian fungi of the sooty mould group. 54: 1-4 (Pl.).
 1950 Some sooty moulds collected in Queensland. 62: 129-135 (Pl., Fig.).
 1954 A root gall on radish caused by *Albugo candida* (Pers.) Kuntze. 65: 61-62 (Pl.).
 1955 Cactus canker caused by *Botrytis cinerea* Pers. 67: 17 (Pl.).

G

- Gaskin, A. J.
 1943 The geology of Bindi, Victoria. 55: 81-106 (Pl., 2 Fig.).
 1944 Kaolinized granodiorite in the Bulla-Broadmeadows area. 56: 1-18 (2 Fig.).
 1947 The Victorian earth tremor of 3 November 1944. 58: 66-68 (Fig.).
 Gill, E. D.
 1940 A new trilobite from Cootamundra, New South Wales. 52: 106-110 (Pl., 2 Fig.).
 1940 The Silurian rocks of Melbourne and Lilydale: a discussion of the Melbourne-Yeringian boundary and associated problems. 52: 249-261 (Fig.).
 1941 The place of the genus *Styliolina* in the Palæozoic palæontology and stratigraphy of Victoria. 53: 145-164 (Pl., Fig.).
 1942 On the thickness and age of the type Yeringian strata, Lilydale, Victoria. 54: 21-52 (3 Pl., Fig.).
 1942 The bearing of the Tertiary sub-basaltic deposits on the palæogeography of the Lilydale district. 54: 245-255 (3 Fig.).
 1943 The geology of Warrnambool. 55: 133-154 (Pl., 5 Fig.).
 1945 Trilobita of the family Calymenidæ from the Palæozoic rocks of Victoria. 56: 171-186 (Pl., 2 Fig.).
 1945 Chonetidæ from the Palæozoic rocks of Victoria and their stratigraphical significance. 57: 125-150 (Pl., Fig.).
 1947 Some features of the coastline between Port Fairy and Peterborough, Victoria. 58: 37-42 (Pl., 3 Fig.).
 1947 A new trilobite from the Yeringian (Lower Devonian) rocks of Kinglake, Victoria. 59: 8-19 (Pl., Fig.).
 1949 Palæozoology and taxonomy of some Australian homalonotid trilobites. 61: 61-73 (2 Pl., Fig.).
 1949 Description and biological interpretation of some Victorian trilobite hypostomes. 61: 123-131 (Pl.).
 1950 A study of the Palæozoic genus *Hercynella*, with description of three species from the Yeringian (Lower Devonian) of Victoria. 59: 80-92 (Pl., Fig.).
 1950 The biological significance of exoskeletal structures in the Palæozoic brachiopod genus *Chonetes*. 60: 45-56 (2 Fig.).
 1950 Nomenclature of certain Tertiary sediments near Melbourne, Victoria. 62: 165-171 (Pl., 2 Fig.).

- 1950 An hypothesis relative to the age of some western district volcanoes, Victoria. 60: 189-194 (Pl., 4 Fig.).
- 1950 The geology of Picnic Point, Port Phillip Bay, Victoria. 62: 121-127 (2 Fig.).
- 1951 Revision of McCoy's 'Prodromus' types from the Lilydale and Killara districts of Victoria. 63: 31-39 (Pl.).
- 1951 Further studies in Chonetidae (Palaeozoic brachiopoda) from Victoria. 63: 57-72 (Pl., 8 Fig.).
- 1952 Note on the spines of a Tertiary echinoid from Victoria. 64: 1-3 (Fig.).
- 1955 The range and extinction of *Diprotodon minor* Huxley. 67: 225-228 (2 Fig.).
- 1957 Fossil wood replaced by laumontite near Cape Paterson, Victoria. 69: 33-35 (Pl., Fig.).
- Glaessner, M. F. See also Edwards, A. B., and Glaessner, 1953.
- 1943 Problems of stratigraphic correlation in the Indo-Pacific Region. 55: 41-80 (Chart).
- 1945 Mesozoic fossils from the central highlands of New Guinea. 56: 151-168 (Pl., Fig.).
- 1947 A fossil beaked whale from Lakes Entrance, Victoria. 58: 25-34 (Pl., Fig.).
- 1947 Decapod crustacea (Callianassidae) from the Eocene of Victoria. 59: 1-7 (2 Pl., Fig.).
- Glover, J. E.
- 1955 Petrographical study of rock samples from the coastal section between Torquay and Airey's Inlet, Victoria. 67: 149-164.
- Gordon, A. See Baker, G., Gordon, A., and Rowe, D. D. 1939.
- Goudie, A. G.
- 1942 A survey of soils and land utilization in the parishes of Koo-wee-rup and Koo-wee-rup East. 54: 93-130 (7 Fig.).
- Green, R., and Irving, E.
- 1958 The palaeomagnetism of the Cainozoic basalts from Australia. 70: 1-17 (8 Fig.).
- Grieve, B. J.
- 1936 On *Bocterium solanaceorum* Smith as the causal agent of the brown rot disease of potatoes in Victoria. 48: 79-85 (Pl.).
- 1936 On the occurrence of *Bacillus corotovorus* Jones causing a soft rot of iris in Victoria. 48: 86-89 (Pl.).
- 1936 A staining and maceration method of tracing the path of the vascular bundles in herbaceous plants, and its application in observations on the distribution of *Bacterium solanacearum* in relation to epinastic curvatures in petioles of tomato and potato plants. 49: 72-74 (Pl.).
- 1941 Studies in the physiology of host-parasite relations. I. The effect of *Bocterium solanacearum* on the water relation of plants. 53: 268-298 (Pl., 13 Fig.).
- 1941 Studies in the physiology of host-parasite relations. II. Adventitious root formation. 53: 323-341 (Pl., 2 Fig.).
- 1942 Further observations on rose wilt virus. 54: 229-238 (2 Pl., Fig.).
- 1943 Studies in the physiology of host-parasite relations. III. Factors affecting resistance to bacterial wilt of Solanaceae. 55: 13-40 (9 Fig.).
- 1943 Mechanism of abnormal and pathological growth; a review. 55: 109-132.
- Guest, J. S., and Robertson, D. B.
- 1939 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt II. Pisces. 51: 179-186.

H

- Halsey, Frances J. See also McLennan, E. I., and Halsey, 1936.
- 1934 A disease of cauliflowers in Victoria, Australia. [*Glauosporium concentricum* (Grev.) Berk. and Br.]. 47: 96-111 (Pl., 15 Fig.).
- Hanks, W.
- 1955 New volcanic vents and lava fields between Wallan and Yuroke, Victoria. 67: 1-16 (Fig.).
- Hardy, A. D.
- 1939 Additional notes on petaline vestiges in *Eucalyptus*. 51: 215-218 (13 Fig.).
- 1943 Phenomenal colonization of diatoms in aqueducts. 55: 229-236.
- Harris, W. J.
- 1935 The graptolite succession of Bendigo East, with suggested zoning. 47: 314-337 (3 Fig.).

- 1939 The physiography of the Echuca district. 51: 45-60 (6 Fig.).
- Harris, W. J., and Thomas, D. E.
1935 Victorian graptolites (New Series) Pt III. 47: 288-313 (3 Fig.).
- Hayman, R. H., and Henty, E. E.
1939 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt II. Survey of the vegetation community on Reevesby Island. 51: 149-152 (2 Pl., Fig.).
- Henty, E. E. See Hayman, R. H., and Henty, 1939.
- Hickman, V. V.
1950 Araneæ from Reevesby Island, South Australia. 60: 1-16 (11 Fig.).
1957 A fossil spider from Tertiary retinite at Allendale, Victoria. 69: 25-27 (Pl., Fig.).
- Hill, Dorothy.
1939 The Devonian rugose corals of Lilydale and Loyola, Victoria. 51: 219-256 (4 Pl.).
1950 Middle Devonian corals from the Buchan district, Victoria. 62: 137-164 (5 Pl.).
1954 Devonian corals from Waratah Bay, Victoria. 66: 105-118 (4 Pl.).
- Hill, Dorothy, and Edwards, A. B.
1941 Note on a collection of fossils from Queenstown, Tasmania. 53: 222-230 (Pl.).
- Hill, G. F.
1938 The Sir Joseph Banks Islands. Reports of the expedition of the McCoy Society for field investigation and research, Pt I. Isoptera. 50: 353-355.
- Hill, R. D. See also Martin, L. H., Hill, R. D., and Darby, J. 1947.
